

## QTU Runcorn Branch Ballot - State Council

Hi!

I'm writing to you because you will be receiving a ballot for the State Council election for Runcorn branch, and I want you to **vote [1] Gabrielle Lundie**.

I'm a primary school teacher at Warrigal Road State School. I have been a year 4 and 6 classroom teacher, and am currently doing relief work around the area.

I am a union rep at my school and am now the QTU Runcorn branch secretary.

Throughout my time as a teacher, I have:

- been elected to represent members on the AEU-Qld State Council as part of Fightback!
- Organised a special branch meeting that brought 33 members together to discuss EB11.
- Drafted and moved motions calling for strike action and increased NCT that were carried by our branch.
- Moved motions calling for the QTU to endorse rallies for Palestine that were carried by our branch.

Teachers in Queensland striking twice last year was an amazing achievement that was widely received with public support. We used our power as workers to show the government that without us, students can't learn, parents can't go to work, and it's not business as usual. Queensland teachers need more planning time, smaller class sizes, and a genuine pay rise. The Crisafulli government has made it clear that they will not provide this unless the QTU is seriously prepared to challenge them.

How to vote:

Place [1] in the box beside **LUNDIE, Gabrielle**

You'll get a ballot in the mail from the ECQ to the same address you receive your QTU mail. Follow the instructions carefully, sign the declaration, and place in the reply-paid envelope. Make sure you post your ballot as soon as possible to make it count.
